

*Proceedings of
the 17th Annual
Vancouver Geotechnical
Society Symposium*

**GEOTECHNICAL
ENGINEERING FOR
GEONENVIRONMENTAL
APPLICATIONS**

*Vancouver, B.C.
May 22, 2003*

Papers

<i>Symposium Keynote Address: Geotechnical Engineering for Geoenvironmental Applications</i>	<i>Raymond N. Yong</i>1
<i>A Nitrogen-Slug Permeability Testing System</i>	<i>Todd Hamilton and Franky Li</i>9
<i>Natural Attenuation of Contaminated Soils</i>	<i>Catherine N. Mulligan and Raymond N. Yong</i>15
<i>Developing and Implementing an Environmental Remedial Action Plan at a Mercury-Contaminated Industrial Site</i>	<i>Douglas M. Whitticar, Bonnie Marks and Kathy Tixier</i>23
<i>UVIF-CPT Characterization at Upstream Oil and Gas Facilities</i>	<i>Kevin Biggar, David Woeller, Sean Murphy and James Armstrong</i>31
<i>Effect of Pore Fluid Chemistry on the Triaxial Behaviour of a High Plastic Clay</i>	<i>Alex Man, Blair Garinger, Marolo Alfaro, Jim Graham and Tee Boon Goh</i>39
<i>Impact of the Steep Rock Iron Mines Operations on Fish Presence</i>	<i>Victor A. Sowa</i>47
<i>Field Sampling and Modelling of Creosote-Derived Contamination in a Tidally Forced Aquifer</i>	<i>Christine Bishop and Roger Beckie</i>55
<i>Remediating the Inactive Blackfoot Landfill</i>	<i>Chris R. Daniel, John Sobkowicz, David Gorling, Steve Wyton and Laurie Manion</i>63
<i>Low Disturbance and Limited Access In-Situ Soil and Groundwater Bioremediation</i>	<i>Vladimir Agatonovic, Lee Nichols and Jim Carbery</i>71
<i>Seismic Stability of Impoundments</i>	<i>Peter M. Byrne and Mahmood Seid-Karbasi</i> ..77
<i>Challenges and Potential Risks associated with the construction of a rockfill dyke on a Submerged tailings beach</i>	<i>Edouard Masengo and Michel R. Julien</i>85

The Vancouver Geotechnical Society (VGS), a local chapter of Canadian Geotechnical Society (CGS), is a non-profit organization dedicated to the dissemination of geotechnical information for the local Civil Engineering community. In addition to the Annual Symposium, regular evening seminars are held from September through May. For further information on the activities of the VGS, visit the VGS webpage at:

<http://www.vancouvergeotechnicalsociety.com>

*or the CGS webpage at:
<http://www.cgs.ca>*

Other VGS Annual Symposia proceedings are available through BiTech Publishers Ltd. Contact Lynn Pugh at:
